**Notes and Recommendations**

- (1) The policies with an asterisk (\*) are policies that have recently been placed or renewed.
- (2) Policy Numbers may not be immediately available for policies recently placed or renewed.
- (3) The billing method for each of your policies has been identified above. An explanation of each method follows:
  - AP (AssuredPartners): You will receive invoices from our office. Please make your check payable to AssuredPartners and mail it to our office.
  - Company: You will receive invoices directly from each Company. Please make your checks payable to the Company and mail it to the address noted on the invoice.
    - We recommend you make your payment for the full Annual Premium as soon as you receive your invoice to avoid Cancellation for Nonpayment of Premium.
  - IPFS (Finance Company): All policies are billed by AssuredPartners or by each Company. If you choose to finance a policy, you will receive installment invoices from the Finance Company that includes that premium.
    - We recommend their online Recurring ACH Payment option to avoid Cancellation for Nonpayment of Premium.
    - Mid-Term Endorsement invoices must be paid via the invoice you receive from AssuredPartners or the Company because that premium will not be included in the Finance Company installment.
- (4) Please reference your Risk Management Summary and your Insurance Policies for detailed coverage and premium information.
- (5) This schedule does not reflect changes not yet processed by the Company or for lapses in coverage for Non-Payment of Premium or other reasons.
